DIGITAL MARKETING BRIEF

October 29, 2021

Law Firm
MARKETING PROS
MORE LEADS • MORE CLIENTS • MORE PROFITS

This Digital Marketing Brief has been created exclusively for you by Josh Konigsberg the Co-Founder & Partner at Law Firm Marketing Pros. Our mission is to provide our clients, through education and service, the most efficient and cost-effective online marketing tools available so they can increase revenues and profits.

We can use it to determine how your business compares to the competition in your city for Google Local Searches, (your local visibility) and how your reputation (your reviews) appears to the consumer when conducting online searches. We can then use this information to custom tailor an online plan that cost effectively and efficiently meets your needs.

Utilizing the latest technology to grade your online performance, we have your scores:

- Competitive Position is **15% - F**
- Reputation Score is **49% - F**
- Local Directory Score is **39% - F**
- Data Aggregator score is **57% - F**
- Local Visibility Score is **61% - 65% - D**

The keywords used to determine your situation and have the most search volume, include;

Family Law Attorney, Divorce Attorney, Custody Lawyer, Domestic Violence Attorney, Support Lawyer

The Google Maps Section on page 1 is the most valuable part of the search results page. The ability to Rank in the “Google Maps” section is due in large part to the quality of the optimization of the business’ Google My Business (GMB) Dashboard. Google My Business is a free and easy-to-use tool for businesses and organizations to manage their online presence across Google, including Search, Maps and Mobile. Every business gets a GMB dashboard Free from Google, but it’s up to the business owner to build and optimize it properly and in accordance to Google best practices.

Here’s the situation, for Pembroke Pines, FL (population: 176,823) your business **DOES NOT appear** on page 1 of Google My Business, aka Google “Maps”, section for **SOME** searches, the most important page in all of online search. Keep in mind that Google has more than 90% of the market share for local searches and less than 5% of users search beyond page 1.

Your Google My Business Dashboard **HAS** been claimed however is **NOT** being optimized properly! Additionally, there are inconsistencies in the online ecosystem with your business name, address and/or phone number. These errors will result in poor ranking in Google searches and make it difficult for customers to find you.

As a reminder, Google My Business is the most valuable advertising space on the planet and the most cost-effective marketing for your business.

We strongly recommend that you begin your Google My Business campaign immediately with Web Promotion Partners. Each day you hesitate your competition is getting found, seen and thus taking your customers and profits. **Don't delay!**

Call today to get started, 561-329-2838.

Read what Criminal Defense Attorney Ron Chapman had to say:

I have tried a lot of online marketing firms, but Law Firm Marketing Pros is the best I've ever worked with. They are very responsive to my concerns, and my return on investment has been excellent over the years. I highly recommend Law Firm Marketing Pros.

Important Information about Reviews
